

Math 171.02 Spring 2004  
Extra Exercises #1

The following exercises are due at the beginning of class on **Wednesday, January 28, 2004**.

1. Send me an email ([kozdrone@math.cornell.edu](mailto:kozdrone@math.cornell.edu)), and let me know your hometown, your major/anticipated major, your background in math, and other information you'd like to tell me.
2. Read *To the Students: Statistical Thinking*, pages xx–xxv.
3. Look at the appendices on pages 651–691. Look at Tables A, B, C, D on inside front and back covers. Look at detachable tables and formulas insert.
4. Stick the CD into your computer and see what is on it.
5. Page 40 #2.6(a) highway only
6. Page 45 #2.8
7. Page 54 #2.32
8. Read the course outline, course syllabus, and visit our class home page.
